Linda - Before you send this msg, Angela had indicated to me that she believes all the other Director's are available for the meeting tomorrow, and if you (or Jon) could call in just for the portion related to Dimmock (I think she said around 2:30), it might be worth it to have the meeting so that everyone is prepared to brief Shawn next week. Sounds like Jon can make himself available for a portion of the meeting. I checked back in with her, and she said she could move it to Thursday, but she will be out of the office and unavailable. She will play it however you want it. I wanted to check in again before I cancel anything to see which way you want me to go with it...

Thanks, Cathy

I am travel to blacksburg today and I am in a mining conference all day tomorrow. I plan on being in hq for 1100 ison rock meeting on wed morning and taking a train after that. . Jon or I need to hear the report out. I asked angela to move to thursday the dd meeting so we both could hear. She is off to penn state shale conference at some point. There is a break at noon tomorrow until 1:00 if that works or I can call in at 500. Randy is at the same meeting. Can you cancel dd meeting if jon isn't going. Jon are you able to go at 300 tomorrow.

Can you call in tomorrow just for the debrief? I'm hearing a preview from Karen Johnson now and recommend that we not push the meeting back.
